

SPECIAL ADVISORY

To Bidders and Offerors For Central Phoenix/East Valley Light Rail Transit Project Procurements

This METRO Procurement is subject to Federal Transit Administration (“FTA”) Funding and Third Party Contracting Requirements.

This advisory places all bidders/offerors on notice that all specified contractor requirements/obligations/deliverables/including but not limited to QA/QC plans, Safety Plans, and General Requirements identified and included as part of this procurement will not be waived and must be factored and included with any bid/offer submitted to METRO.

Valley Metro shall not provide any relief to a contractor for any error or omission regarding the specified requirements/obligations/deliverables.

Consistent with the FTA requirements referenced above, METRO advises all bidder/offerors that it fully intends to enforce all material elements of this procurement and resulting contract.

If you have any questions or if further clarification is needed regarding this Special Advisory, Please contact:
