DISCOUNTS ALONG THE LINE

METRO light rail sincerely thanks you for your generous support and ridership during our first year of operation. Ridership on METRO continues to surpass projections, reaching more than one million riders in several months. We are pleased to see how you have incorporated light rail into your lifestyle and please continue to do so in the years to come. **As a way to thank you and encourage your ridership, more than 45 retail businesses along the line are offering special discounts or deals to anyone who presents a valid transit pass on December 19.**

These discounts are available on December 19 only. Transit passes dated with December 19 or later, and employee-issued or student cards are considered valid fare. They must be presented to redeem the discount or offer. For additional information on a business or their exact location, please visit their website or call for more information.

To find details on the Golden Pass Promotion or download our Ride Guide with station locations and frequency, visit us online at www.metrolightrail.org.
