

## BIKES

- Bike racks are located in each light rail vehicle, at park-and-rides and some station platforms. Locking a bike to station fences or other structures is prohibited.
- Enter the train at the doors nearest the bike symbol; place your bike in the rack. You may also stand with your bike if the racks are full and you do not block aisles or doorways.
- If a train is full, bike riders must wait for the next train to ensure the safety and comfort of all passengers.

## ACCESSIBILITY

- Four spaces for wheelchairs are located nearest the first and last set of doors. Wheelchair tie-downs are not needed. If spaces are full, use wide aisleways.
- Light rail vehicle entrances are at the same level as station platforms.
- Textured strips mark the edge of the station platform and other boundaries.
- Spoken and visual announcements are played at stations and inside trains. Spoken and Braille instructions on fare vending machines.
- Warning bells and flashing headlights when trains begin or end movement.

## CONDUCT

Obey the following conduct at METRO stations and on trains.

Only service animals or pets inside carrying cases are acceptable. Beverages must be in spill-proof containers. No more than one hour can be spent at a METRO station.

# RIDE GUIDE

## HOW TO RIDE

- 1 Plan your trip using the online trip planner at [valleymetro.org](http://valleymetro.org) or Google Transit.
- 2 Buy a transit pass at any light rail station, transit center, retail outlet or online. For a list of retail locations, visit [metrolightrail.org](http://metrolightrail.org).
- 3 Activate your pass before boarding. Keep your pass as proof of payment. Platinum Pass/U-Pass users, validate before each trip by touching your card to the orange target.
- 4 Signs on the front and side of the train show the train's final destination.
- 5 Trains stop at every station. Upcoming stops are announced on the train.

## FARES

Light rail, local bus and LINK share the same fare structure and all pass types can be purchased from METRO fare vending machines. Express/RAPID refers to express bus service which has an upgraded cost.

	Light rail/ local bus/ LINK	Reduced*	Express/ RAPID
1-Ride**	\$1.75	\$0.85	\$2.75
All-day	\$3.50	\$1.75	\$5.50
3-day	\$10.50	\$5.25	N/A
7-day	\$17.50	\$8.75	N/A
31-day	\$55.00	\$27.50	\$85.00

\* Reduced fare is valid for youths 6 – 18, seniors 65 and older, persons with disabilities and Medicare cardholders only.

\*\* The 1-ride fare is valid for a single trip on bus or light rail, not both. One-ride fares purchased through the fare vending machines are for light rail only.

## FARE VENDING MACHINES

Fare vending machines are located at each light rail station. An all-day or multi-day pass is also valid on bus for the purchased time period.

- 1 Choose full fare, reduced fare (disabled, youth, senior or Medicare cardholders) or Express/RAPID bus.
- 2 Select the fare type: 1-ride, all-day, 3-day, 7-day or 31-day; the 1-ride fare is valid for light rail only.
- 3 Select the number of passes you wish to buy.
- 4 Choose to activate now and ride immediately, or wait for another time. The 1-ride fare is automatically activated upon purchase.
- 5 To pay, select credit or debit card, or insert cash or coins. Bills larger than \$20 are not accepted.
- 6 Remove your passes and pick up your change and/or receipt. Change is dispensed in coin.

Report vending machine malfunctions by sharing the machine ID and time of day with Customer Service at 602-253-5000.

## PROOF OF PAYMENT

METRO operates on a proof-of-payment system. Fare inspectors regularly patrol the system and ask passengers at random to produce a valid transit pass. Violators are subject to fines ranging from \$50 to \$500 and can lose their transit privileges.

All-day and multi-day passes must be activated before boarding. These passes begin rolling upon activation and expire at 2:59 a.m. the day after the end of the pass period.

All-day, 3-day, 7-day and 31-day passes can be activated in the following ways:

- Choose the “activate” option when you buy your pass at the vending machine.
- Place a pre-purchased pass into the “Validator” slot on the vending machine.
- Dip your pass into a bus farebox.

A 1-ride fare is activated automatically with purchase and allows you to ride once on light rail; be sure to keep your receipt as proof of payment. A 1-ride fare purchased through a bus farebox is not valid on light rail.

Employer-issued Platinum Passes, ASU U-Passes and other plastic cards must be validated or touched to the orange target on fare vending machines or stand-alone targets before each and every boarding. To ensure proper validation, hold the card flat against the orange pad until you hear a confirmation ding or “enjoy your ride” appears on screen.

## BUS CONNECTIONS

Complete your trip using the many bus connections that meet each METRO station. Your all-day or multi-day pass is valid for both bus and light rail. Use the online trip planner or Google Transit to plan your trip.

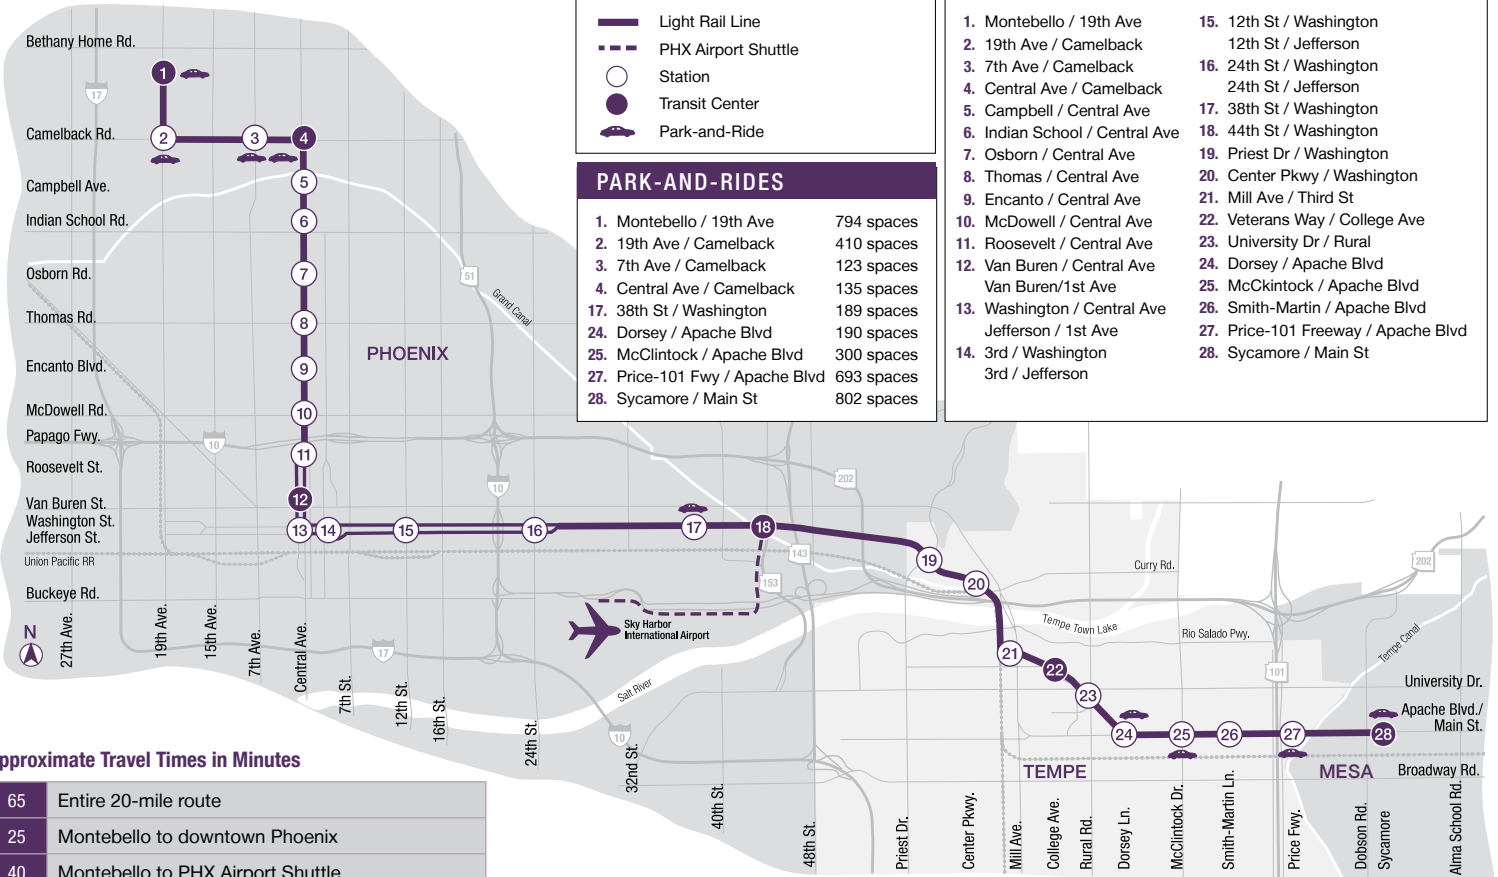

## AIRPORT CONNECTION

Connect to Phoenix Sky Harbor International Airport from the 44th St./Washington station. Cross the street to the south and board the free PHX Airport Shuttle. The shuttle connects to all terminals and mirrors METRO's service schedule. METRO park-and-rides are for daily transit use only; parking for more than 24 hours is prohibited.
