

OVERNIGHT PARKING PERMIT

REQUEST FORM

Overnight parking in METRO Park-and-Ride lots is allowed by permit only. Permits will be issued for METRO passengers who may, for example, work an overnight shift and want to use METRO to travel to and from their job. When a permit is issued, it must be visible when the vehicle is parked in the lot overnight. **24-hour parking is prohibited even for vehicles displaying a permit. Also, security officers are not present overnight, so parking is at your own risk.**
