

ON-CALL SERVICES OVERVIEW

Valley Metro Rail, Inc. (METRO), an Arizona non-profit corporation, is interested in conducting business with firms to support the 57-mile system in the Regional Transportation Plan (as amended):

- Original 20-Mile Line
- West Extension
- Northwest Extension
- Glendale Extension
- Northeast Extension
- Mesa Extension
- Tempe Extension

METRO maintains a list of interested firms that possess the ability to perform On-Call Services as needed. As requirements arise that require a bid process, METRO will include firms that are on the Pre-Qualified Bidders List in notification of bidding opportunities.

Any firms interested in being added to the Pre-Qualified Bidders List shall submit an On-Call Services Pre-Qualification Form in order to be included in distribution of future bid opportunities.

NOTE: The prior Pre-Qualified Bidders List remains active until September 30, 2009. Your prior interest is greatly appreciated. **FOR COMPANIES CURRENTLY ON THE PRIOR LIST WHO WISH TO REMAIN PRE-QUALIFIED, PLEASE SUBMIT A NEW ON-CALL SERVICES PRE-QUALIFICATION FORM BY SEPTEMBER 30, 2009.**

On-Call Services to support the 57-mile system are classified by 12 Disciplines. See the 'On-Call Services Discipline List' included as a separate document on this web page.
