

ON-CALL SERVICES PRE-QUALIFICATION FORM DIRECTIONS

Valley Metro Rail, Inc. (METRO) maintains a Pre-Qualified Bidders List for bidding opportunities for On-Call Services.

When opportunities for bidding arise, the companies that have completed the 'On-Call Services Pre-Qualification Form' will be sent notifications for requests for submittals. Companies that have not completed the Pre-Qualification Form will not receive specific notification for requests for submittals, though they may respond to postings on this website and in advertised venues such as newspapers and trade journals.

After initial completion of the 'On-Call Services Pre-Qualification Form', companies included in the Pre-Qualified Bidders List are responsible to update relevant data as necessary due to business changes.

In addition, METRO will notify all firms on an annual basis to request updates and verification of data accuracy.

NOTE: The prior Pre-Qualified Bidders List remains active until September 30, 2009. Your prior interest is greatly appreciated. **FOR COMPANIES CURRENTLY ON THE PRIOR LIST WHO WISH TO REMAIN PRE-QUALIFIED, PLEASE SUBMIT A NEW ON-CALL SERVICES PRE-QUALIFICATION FORM BY SEPTEMBER 30, 2009.**
