

APPLICATION FOR OVERNIGHT PARKING PERMIT

Overnight parking in Valley Metro Park-and-Ride lots is allowed by permit only. Permits will be issued for Valley Metro passengers who may, for example, work an overnight shift and want to use the Light Rail to travel to and from their job. When a permit is issued, it must be visible when the vehicle is parked in the lot overnight. **24-hour parking is prohibited even for vehicles displaying a permit. Officers are not present overnight, so parking is at your own risk.**

REQUESTOR INFORMATION

Name _____ Phone _____

Address, city and zip code _____
