

PROJECTS

NORTHWEST PHASE II

TITLE

LIGHT RAIL EXTENSION

TYPE

REPORT CARD / JULY, AUG, SEPT 2016
valleymetro.org/northwest2

PROJECT DESCRIPTION

The 2-mile Northwest Phase II project is currently slated to open in 2023 and will extend light rail from the intersection of 19th and Dunlap avenues west across I-17 to the Metrocenter area.

BENEFITS

The Northwest extension will enhance mobility options for a largely transit-dependent community and provide connectivity with employment centers near the I-17 freeway. It will support nearly 10,000 family housing units and help up to 20,000 employees get to work. It will also bolster community revitalization.

UPDATE

- Continued Advanced Conceptual Engineering (ACE) and evaluating track alignment on Dunlap and 25th avenues
- Completed preliminary evaluation for federal funding feasibility
- Initiated the environmental document in summer 2016

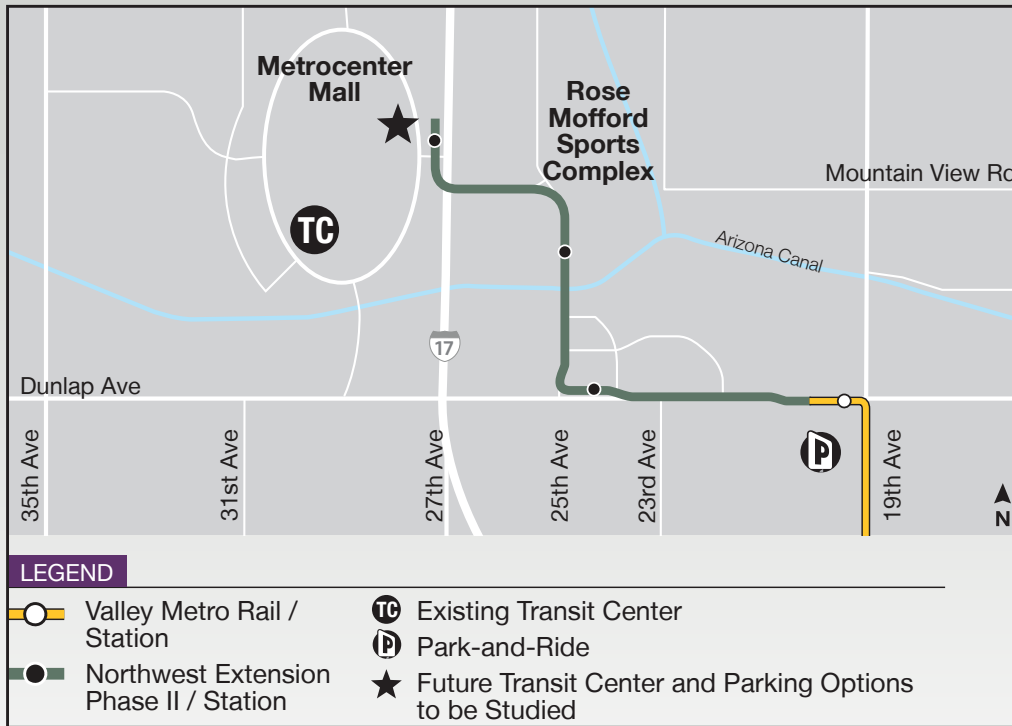

BUDGET

	Estimated*	Expended**
Project Development	\$6,400,000	\$960,490
Final Design	\$13,700,000	\$0
Construction	\$275,300,000	\$0
TOTAL	\$295,400,000	\$960,490

*Does not include financing cost.

**Estimated as of September 30, 2016.
