CAPITOL/I-10W

TITLE

LIGHT RAIL EXTENSION

TYPE

REPORT CARD / JULY, AUG, SEPT 2016
valleymetro.org/capitolwest

PROJECT DESCRIPTION

The 11-mile Capitol/I-10 West project will extend light rail from downtown Phoenix through the State Capitol area to 79th Ave/I-10 freeway by 2023. It will consist of several freeway and neighborhood stations and enhancements to the existing 79th Ave/I-10 Park-and-Ride.

BENEFITS

The Capitol/I-10 West extension will provide enhanced transit service to the growing West Valley, giving residents greater access to jobs, schools and their community. It will also connect to major employment centers such as the State Capitol and help ease congestion on the I-10 freeway.

UPDATE

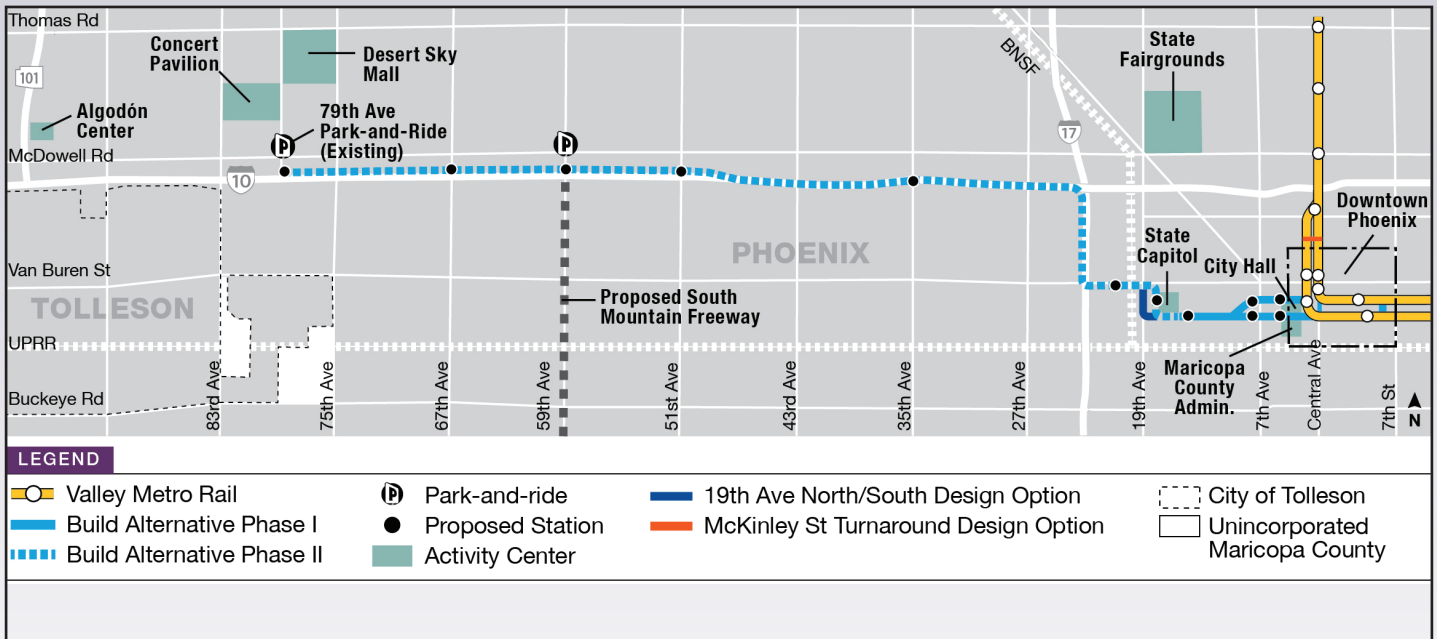

- Continued revising the Environmental Assessment (EA) based on comments received from the Federal Transit Administration (FTA) and also included information on construction phasing
- Continued working with the Arizona Department of Transportation (ADOT) on the I-17 Change of Access Report
- City of Phoenix City Council approved a phased approach as part of Transportation 2050 prioritization of the HCT program
 - Phase I - Downtown to the State Capitol (2023)
 - Phase II - State Capitol to 79th Avenue (2030)
- The proposed schedule will be presented to Valley Metro and MAG boards in summer 2016 for approval and final adoption into the Regional Transportation Plan (RTP)
