WELCOME!
Thank you for attending today’s South Central Extension Open House.

The open house provides a full range of project information on current design topics:

- Art Concepts
- Landscaping
- Track Alignment
- Right-of-Way
- Traffic Flow and Roadway Configuration
  - Bus Pullouts
  - Bike Lanes
  - Emergency Vehicles
- 7th Street and 7th Avenue Intersection Enhancements
- Downtown Hub
- Business Assistance
- Career and Student Development Programs

The information is presented on display boards, roll plots and through video. Information is organized by topic area and displayed in a series of “stations”.

DESIGN UPDATES
Community input has been and continues to be an important element in the design of the South Central Extension. The design team has worked to incorporate community feedback into the final design of the project; here are some highlights:

- Increased the number of bus pullouts (over 80% of bus stops now have pullouts)
- Added more and increased the size of the landscaped areas
- Enhanced bicycle and pedestrian facilities:
  - 23 additional signalized crosswalks
  - Over 10 miles of continuous and wider bike lanes
- Placed Broadway Road station south of the intersection to reduce the amount of right-of-way needed
- Added Downtown Hub for easy, convenient transfers between light rail, bus and other modes
- Modified design of roundabouts to reduce impacts and better accommodate bicycles and pedestrians
- Identified new power substation locations to avoid impacts to property owners
- Modified one park-and-ride location to relocate parking closer to the station
- Identified an alternate location for another park-and-ride to avoid impacts to nearby businesses
- Removed the frontage road from the Lincoln Street station platforms on First and Central avenues to minimize property impacts and maintain local street access

All of the information presented at the meeting is also available on the project website at valleymetro.org/southcentral
FOR MORE INFORMATION

Additional information is always available at valleymetro.org/southcentral, or contact a community outreach staff member:
