About the Project

Phase II of the Northwest Extension will extend light rail west on Dunlap Avenue from 19th Avenue, then north on 25th Avenue and across I-17 on Mountain View Road with a terminus on the west side of the freeway near Metrocenter Mall.

In 2016, the Phoenix City Council approved accelerating the Northwest Phase II project to open in 2023 rather than 2026. The advancement is funded through Transportation 2050, a 35-year, multi-modal transportation plan approved by the Phoenix voters in 2015.

Voter approved:

PROJECT STATUS

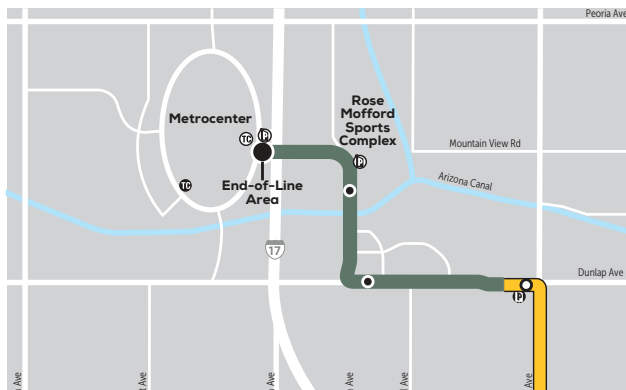

- Initial design plans have been completed and the project is entering the final design phase.
- Underground utilities location and evaluation, along with other infrastructure inspections, will occur throughout spring 2019.

NEXT STEPS

- A public meeting will be held in late summer 2019 to seek input on the project's design, including concepts that the project artist has developed.
