YOUR SIDEKICK TO TRAVELING ON BUS AND RAIL

Whether you are going to work or heading out for some fun, plan your trip with our app and let us do the driving so you can enjoy your ride. It will make traveling on public transportation even easier.

Available on both the App Store and Google Play™.

Know before you go...

It’s easy to plan your trip

1. Click on the Where can we take you? tab

2. Enter your destination first and then where you would like to begin your trip.
   - Note: Ridekick® will default to your current location
   - You can also select a destination from a map if you select the Choose on map option.

3. To change the departing time and date, click on Leave Now located underneath the From and To boxes.
   - You can also plan your trip by selecting a Depart at or Arrive by date and time.

4. Click on Get Directions to find the routes that match your criteria

5. Once you select the trip that you prefer to take, you will see a step by step Itinerary, or a list view of your trip.

6. To see your trip on the map, click on the Map tab.
Find your NextRide  
(the next bus and light rail arrival times)

1. Click on Nearby Stops button to see stops that are close to your location. You can view the stops in a list or map view. Just click on the different tabs at the top to toggle between them.

2. You can also use a stop number by clicking on Find a Stop and enter the stop ID number (which is located on the NextRide sign at each stop).
   • Remember to turn on "location" access on your device to automatically see nearby stops.

Bookmarking your favorite trips and stops
After you plan a trip, you can bookmark it by clicking the star in the upper right-hand corner.

Use your tray tools
Click on the three horizontal lines in the top left hand corner to:
1. Plan your trip
2. Find your NextRide
3. Set up or adjust your app settings
